Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action dated January 20, 2004, please consider the following remarks.

**In the Claims:**

Please cancel ~~claim~~ 9.

**Remarks**

In the Office Action dated January 20, 2004, the Examiner noted that claims 1 through 9 are subject to restriction. In particular, the Examiner found claims 1 through 8 to be drawn to a method for inspecting a BGA joint and claim 9 to be drawn to a method for inspecting a region of interest. The Examiner found these groups to be distinct based on separate utility.

By way of response, applicant elects claims 1 through 8, without traverse. Claim 9 has been cancelled without prejudice to its subsequent presentation in a continuing and/or divisional application.

Respectfully Submitted,

Matthew J. Sampson
